What staffing ratio does the young person need?

If more than 1:1 staffing has the funding been agreed?

Please complete the attached risk assessment form for any behaviour/ situation that you believe requires particular attention before returning this referral.

Requirements of the Social Worker for the young person placed with Evolution Children Services;

We expect that an initial planning meeting to be held within 5 working days of the placement, and that the child's care reviews will be held regularly, in line with the Looked After Children recommendations.

All LAC documentation should be completed within the timescales recommended. Any previous reports or assessments will be sent to Evolution Children Services within a week of placement.

Please be aware that Evolution Children Services maintains a policy on behaviour management which may involve contacting the police in the event of violence towards staff or criminal damage to property caused by the young person. All situations are considered and the decision to contact police will only be made in emergencies or under exceptional circumstances, after discussion with the manager.
